

//// Technical seminar

Advanced Mechanical Surface Testing

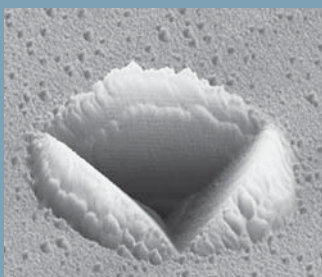

//// Details

Date : **11th November 2008**
Venue : University of Belgrade
Faculty of Mechanical Engineering, Tribology Laboratory
11120 Beograd 35
Time : 09h00 - 16h00
Presenter : Mr Gregory Favaro
Cost : Free

//// Program

09h30 - 09h45 : Presentation of CSM Instruments
09h45 - 10h30 : Fundamentals and applications of **Nanoindentation**
10h30 - 10h45 : Coffee break
10h45 - 11h30 : Introduction to **Scratch Testing**
11h30 - 12h00 : Practical demo on the **Macro Scratch Tester** (Revetest)
12h00 - 12h30 : Practical demo on the CSM **Nanoindentation tester**
12h30 - 13h30 : Lunch break
13h30 - 16h00 : Free testings on your own samples

> **CSM Instruments, the excellence in Nanoindentation, Scratch and Tribology testing.**
